

QuickPod Plus Single-Serve Coffee Maker

Product Name: QuickPod Plus Single-Serve Coffee Maker

Category: Home Appliances, Kitchen, Single-Serve Brewers

Price: \$89.95

Description: Enjoy ultimate convenience with the QuickPod Plus Single-Serve Coffee Maker. Compatible with all popular K-Cup pods, it brews your favorite coffee, tea, or hot cocoa in under a minute. Select from three brew sizes (6 oz, 8 oz, 10 oz) to customize your drink. The 48 oz removable water reservoir means less refilling, and the auto-shutoff feature saves energy. Its sleek design comes in various colors to match your kitchen decor. Includes a reusable My K-Cup filter for using your own ground coffee.
