

CleanSweep X1 Robot Vacuum

Product Name: CleanSweep X1 Robot Vacuum

Category: Home Appliances, Cleaning, Smart Home

Price: \$279.99

Description: Let the CleanSweep X1 handle the vacuuming for you! This smart robot vacuum features powerful suction and intelligent navigation to clean your floors efficiently. Use the companion app to schedule cleanings, set virtual boundaries, and monitor cleaning progress. Automatically returns to its charging dock when the battery is low. Works great on hard floors and low-to-medium pile carpets. Anti-drop and anti-collision sensors ensure safe operation around furniture and stairs.

Features:

- Powerful suction (2000Pa)
- Smart navigation system
- App control with scheduling & mapping
- Virtual boundary support
- Automatic recharging
- Suitable for hard floors and carpets
- Anti-drop & anti-collision sensors
- Slim design to clean under furniture
- Washable HEPA filter
