

# BaristaMaster Pro Espresso & Cappuccino Machine

**Product Name:** BaristaMaster Pro Espresso & Cappuccino Machine

**Category:** Home Appliances, Kitchen, Espresso Machines

**Price:** \$699.00

**Description:** Unleash your inner barista with the BaristaMaster Pro Espresso & Cappuccino Machine. This semi-automatic machine features an integrated conical burr grinder with adjustable grind settings, ensuring fresh coffee grounds for every shot. The powerful 15-bar Italian pump delivers optimal extraction for rich, flavorful espresso. A commercial-style steam wand allows you to create perfectly frothed milk for lattes, cappuccinos, and macchiatos. With its PID temperature control, you get precise water temperature for balanced flavors. Includes a stainless steel milk frothing pitcher and a professional-grade portafilter.
