

Product Name: Essential Brew Basic Drip Coffee Maker

Category: Home Appliances, Kitchen

Price: \$34.99

Description: The Essential Brew Basic Drip Coffee Maker is your straightforward solution for a perfect cup of coffee every morning. With a simple one-touch operation, it brews up to 12 cups of coffee directly into a durable glass carafe. The keep-warm plate ensures your coffee stays hot, and the auto-pause feature lets you grab a cup mid-brew without any mess. Features a permanent, washable filter basket, eliminating the need for paper filters. Its compact design fits neatly on any countertop.

Features:

- 12-cup capacity glass carafe
- Simple one-touch brew operation
- Keep-warm plate
- Auto-pause 'Grab-a-Cup' feature
- Permanent, washable filter basket
- Easy-to-view water window
- Non-stick warming plate
- Compact design
